Introduction

Hong Kong St. John Ambulance has been established in Hong Kong for 136 years. It was first started in 1884 in the name of "Hong Kong St. John Ambulance Association" and inaugurated in 1900. The **Brigade** was formally established in 1916 during World War I, followed by the establishment of the **Council** in 1949 after World War II. In 2015, Hong Kong was upgraded as a **Priory** of the Order of St. John. As an ex officio member of the Grand Council of the Order, Hong Kong is now have a broader scope of involvement in international policies and activities.

Hong Kong St. John Ambulance has been well-known in the provision of First Aid training and Ambulance services to the general public in Hong Kong. The principle and spirit of Hong Kong St. John Ambulance as embodied in the motto "**For the Service of Mankind**" remain unchanged after the enactment of the new **Hong Kong St. John Ambulance Incorporation Ordinance (Chapter 1164)** on 27 June 1997. Hong Kong St. John Ambulance continues in promoting and encouraging all works of humanity and charity for the relief of distress, suffering, sickness, danger and poverty without any distinction as to colour, class or creed.

The **Council** is the supreme governing body of **Hong Kong St. John Ambulance** and is charged with the governance, management and control of all businesses and activities of the Corporation. The Council is composed of dedicated volunteers from various professions and the Assistant Director (Administration and Policy) of the Department of Health also sits in the Council as an observer. The Council's work is facilitated by its standing Committees, namely, Two MacDonnell Road Management, Finance, Honours and Awards, Public Relations, Property Management and Development, Greater China Affairs and Ambulance Service Steering.

The **Association**, the training branch, has been the premier organization of the territory responsible for instructing members of the general public the principles and practice of First Aid, Home Nursing and allied subjects since 1884. The **Director's Conference** ensures that training works of the Association are conducted effectively and efficiently. There are 553 volunteer lecturers or instructors, including doctors, nurses, allied health professionals and non-professionals.

The **Brigade**, the service branch, is responsible for organizing training and equipping adult and youth members to undertake, on a voluntary basis, First Aid, Home Nursing, Ambulance and Community Services to those in need. The services are free. The **Commissioner's Conference** is responsible for overseeing the organization, administration, services provision and development of the Brigade. At present, there are 7,497 members, made up of 3,602 Adult and 3,895 Youth members including 251 members from St. John Pandas.

Serving the community through the voluntary work of St. John has given me great pleasure, pride and satisfaction. I would like to express my sincere appreciation and heartfelt gratitude to my fellow Members of the Council for their unfailing trust, valuable advice and great support in continuing my chairmanship, which are essential for meeting our challenges all along and for the next triennium.

The year 2019 marks the 70th Anniversary of our Council, which was formally established in 1949. A celebration dinner was held at The China Club on Wednesday, 4 December 2019, and a sum of £7,000 was saved and donated to the St. John of Jerusalem Eye Hospital Group.

The fiscal year 2019-2020 was an exceptionally challenging year for the organization. In the second half of 2019, the civil unrest, demonstrations, violence and road blockade seriously disrupted our training, first aid and ambulance services. Nevertheless, we could still arrange some training activities and first aid duties, and entertain the increased demand for ambulance services. However, the situation was disastrous with the spread of COVID-19 starting from January this year, and our training activities and first aid services came to a standstill, as our insurance plan did not cover infectious disease contracted during voluntary works. On the other hand, our ambulance staff had to take extra precautionary measures for infectious disease protection. Fortunately, we had adequate stock and donation of personal protective equipment from various organizations, especially Médecins Sans Frontières.

The word "First Aid" was first coined by St. John. Hong Kong St. John Ambulance in the name of its Association has been providing first aid training to the community for 136 years since its establishment. All along, its First Aid Certificate has been officially recognized by the Labour Department of the Hong Kong Government. In 2013, our "Certificate in First Aid" course gained 10 Level 3 Credit Points from the Hong Kong Council for Accreditation of Academic & Vocational Qualifications. We are not contented at local accreditation only, and our aim is to achieve international quality standards. With the hard work of our Secretariat and Association staff, we attained in February this year ISO 9001:2015 certification in quality management of First Aid, Cardiopulmonary Resuscitation and Automated External Defibrillation. We are the first in Hong Kong to get such an honour.

Our first aid online learning programme has finally been launched on 1 April 2020. This is a timely measure at the difficult time of school closure in face of the COVID-19 pandemic. Hopefully, this will also facilitate and promote first aid training at the same time, including our free Basic First Aid Training Project to Primary 5 and 6 students launched since 2018, as school schedules are always tight and full.

The Hong Kong Jockey Club has invited Hong Kong St. John Ambulance and Hong Kong Red Cross to work together in a 3-year project – Jockey Club Heart-safe Community Project, starting from December 2019. In this project, Hong Kong St. John Ambulance was responsible for the tender specifications and purchase of around 1,600 units of automated external defibrillator, together with its operational and training accessories. In addition, Hong Kong St. John Ambulance will be responsible to provide Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillation (AED) training for the staff of 800 Social Service Units, together with First Aid Education for around 40,000 general public. The aim is to strengthen community life-saving capability by donating a defibrillator with its accessories to each of the 1,600 Social Service Units subvented by the Social Welfare Department and training their staff in CPR and AED.

A new course has been introduced from the National Association of Emergency Medical Technicians of the United States of America – the All Hazards Disaster Response course. This is good timing to bring in this type of courses with the onslaught of the COVID-19 pandemic. As a result, two courses have been fully subscribed.

Chairman's Report

Governance of the Council and administration of the Secretariat have been enhanced by the following actions: Orientation Information for New Members, St. John Standard Policies, Declaration of Conflicts of Interest, Declaration of Criminal Offence and Professional Misconduct, Guidelines on Purchasing and Supplies Procedures and Internal Audit by the Department of Health.

The achievement and success that have been made by Hong Kong St. John Ambulance would not be possible without the full dedication and commitment of our volunteers and staff, who have served conscientiously to uphold the highest tradition of St. John in every way. To them, I wish to express my sincere thankfulness and appreciation for their admirable work. In addition, the generosity and guidance of the Department of Health, Home Affairs Bureau, Hong Kong Jockey Club, Community Chest and other donors keep us on the right track to respond to the needs of our local community, enabling the continuation and expansion of our services and works.

I am confident that St. John will grow from strength to strength and strive to provide better services for the community. Glory goes to every member of Hong Kong St. John Ambulance.

Funding has been granted from the Hong Kong Jockey Club Charities Trust for installation of Automated External Defibrillators and providing training programmes for 1,600 social service units for three years. The project has been carried out in collaboration with Hong Kong Red Cross since December 2019.

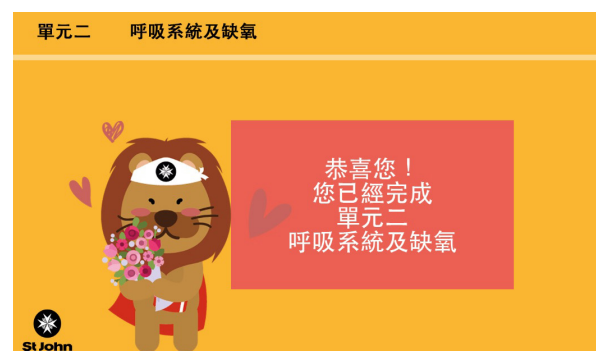

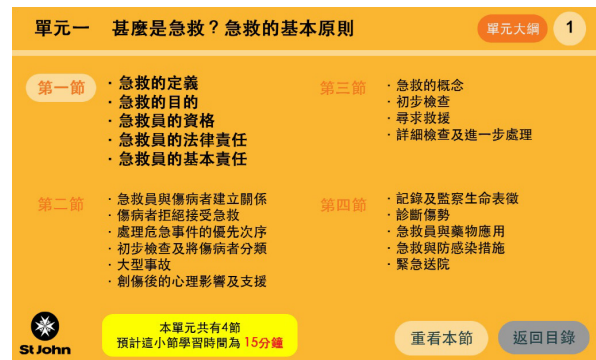

In addition, a Public Education Programme has also been implemented to raise the interest and awareness of the public on learning first aid skills. The first talk was conducted on 23 December 2019 at St. John Tower.

7 E-Learning of Certificate in First Aid

To facilitate the learners to undertake first aid course anywhere and at their own pace, St. John Association launched E-Learning on Wednesday, 1 April 2020. Online learning provides consistent and standardized training every time. Using animation clips, scene and games will enhance learning effectiveness.

The e-learning course combines online (14 hours) and face-to-face instruction (16 hours) modes of learning for the existing 30-hour Certificate in First Aid Course.

Flag-raising Ceremony by Uniformed Groups at Golden Bauhinia Square

Moral, Civic and National Education is an essential element of whole-person education. For promoting national education, young people were given the opportunity to conduct flag-raising ceremonies at Golden Bauhinia Square. Youths participating in this program were recommended by leaders from various Uniformed Groups and given specialized training for conducting the ceremony. The ceremony has been conducted on the second Sunday of each month since 2008 and St. John Youth Command was responsible for conducting the flag-raising ceremony on Sunday, 8 December 2019.

10 HKStreetathon 2020 was held on Sunday, 12 January 2020 with over 7,500 runners attended for the races. 295 St. John Personnel, including Officers, Medical Officers and Nursing Officers were deployed to provide First Aid coverage to this large-scale sports event. In addition, 10 ambulances and 6 logistic vehicles were deployed for transporting injured persons to the nearest hospital and for conveying all duty personnel to First Aid Posts respectively. 14 bicycles from Cycle Response Unit (CRU) were also deployed. A total of 6 injured persons were transferred to hospitals and 351 minor injured cases were handled.

11 First Aid at Schools Programme (Primary Schools)

St. John Association has launched a 16-hour free first aid training programme **[學校急救課程計劃 (小學)]** for Primary Five and Six school students since 28 June 2018. A total of 6,700 primary pupils were trained in the 2018/2019 academic year. The pupils were excited to attend the course and showed interest in future learning.

Service Reports

1. During the reporting year, the Brigade discharged a total of 221,867 man-hours of volunteer first aid, ambulance duties, dental and community services for the public.
2. In 2019/2020, the Brigade responded to 7,368 emergency and non-emergency calls for ambulance services. A detailed breakdown of these calls is tabulated below for easy reference.

Type of Call	No. of Calls
Emergency Calls	6,320
Non-emergency Calls	444
Other Duties	604
Total	7,368

3. Dental Service

Dental service provided by Hong Kong St. John Ambulance Brigade has been in operation for over 69 years. This is the only service provided among the global St. John Ambulance organizations.

Free dental service is made available to the elderly and patients with special needs by Brigade volunteer dental surgeons, dental surgery assistants and members at the Dental Clinic located at the St. John Headquarters or to the elderly homes by the Outreach Team. In addition, oral health services are provided to the public through campaigns and special events.

The fiscal year 2019/2020 was a challenging year for the dental service due to the social unrest and COVID-19 virus outbreak. In fact, the dental clinic and outreach service has been suspended since February 2020 but service has been continued through email to over 100 organizations to educate the patients on oral hygiene by powerpoint presentation. Feedback was very positive because prevention is always better than cure.

In 2019/2020, volunteers in the Dental Command provided dental services to a total of 941 patients with 1,934 cases treated in the dental clinic. In addition, 857 members of the general public received free consultations and free basic dental treatment including oral examination, dental prophylaxis, fillings and extractions through various health promotional projects.

For the Public/Organizations

1 Advanced Medical Life Support (AMLS) Course

The Association has launched the Advanced Medical Life Support (AMLS) Course developed by the National Association of Emergency Medical Technicians (NAEMT) of the United States since 2016. Apart from the didactic aspects, interactive simulations and problem solving scenarios have given participants realistic exposure to similar cases. Course participants were mainly doctors and nurses. In 2019, three AMLS courses were conducted from June to October 2019 with 31 participants attended.

2 Advanced Life Support in Obstetrics (ALSO) Course

ALSO provider courses were jointly organized by the Hong Kong College of Emergency Medicine and the Hong Kong College of Obstetricians & Gynaecologists for the 9th consecutive year at St. John Tower. Three ALSO courses were conducted on 3-4 April, 9-10 April and 11-12 April 2019 at St. John Tower with 120 nurses and doctors participated.

3 Basic Life Support in Obstetrics (BLSO™) Provider Course

The American Academy of Family Physicians has granted the Association a license of conducting Basic Life Support in Obstetrics (BLSO™) Provider Course. The course objective is to provide training of pre-hospital care providers who wish to increase their knowledge and skills in the field of obstetrics. Courses were held between February and October 2019 with total of 94 participants. Candidates who have passed the assessment were awarded a certificate valid for 5 years.

4 Pet First Aid and Emergency Care Course (PETFA)

Pet First Aid and Emergency Care Course was launched in 2015, which has grown in popularity since the first class. In 2019, two classes were held every month in average with total of 590 participants. The first aid kit for pet was also popular among pet owners. Around 230 kits were sold in the past few years.

The Association took part in the Hellodog Fest 2019 on 14 April 2019 at Nursery Park, West Kowloon Cultural District to promote PETFA.

Free Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillation (AED) Training Courses for Members of the Public

The Sir Robert Ho Tung Charitable Fund has granted the Association funding for the 10th consecutive year for conducting free 6-hour CPR & AED training for members of the public. The project was conducted from 14 May 2019 to 30 May 2019. The number of participants was 1,827 with 28 courses. All qualified participants were awarded the Adult CPR and AED Provider Certificate with 3 years validity.

6

Cardiopulmonary Resuscitation (CPR) Education Projects of Rotary

Since the sponsorship of Rotary International District 3450 in 2016, St. John has been conducting the CPRAED course for members of the public for the 4th year. Around 3,000 members from the public have taken part in the project. In 2019, the targeted beneficiaries were students and staff from schools.

The Opening Ceremony of the fourth phase was held on 28 September 2019 at St. John Tower. Dr. KH WONG, JP, Controller of Centre for Health Protection, was invited as the Officiating Guest of the ceremony. Brigade members came and shared their experiences of a case of successfully saving life for a sudden cardiac arrest patient by applying AED machine.

7 Pre-hospital Trauma Life Support (PHTLS) Courses

The Association has been the sole provider of PHTLS courses in Hong Kong since 2002. The course was developed by the National Association of Emergency Medical Technicians (NAEMT) of the United States and was introduced to Hong Kong by the China-Hong Kong Chapter of the American College of Surgeons. This two-day intensive course gives instructions on kinematics of injuries, assessment and management of trauma patients with multiple injuries. Prospective trainees include doctors, nurses and pre-hospital care providers.

The 9th edition of the PHTLS course manual was released in 2018. An update seminar that provided PHTLS Instructors a comprehensive overview of content and features was held on 2 October 2019 at St. John Tower.

8 First Aid Lecturer Training Course (LTC) 2018/2019

The LTC aims to train up sufficient volunteers for the Association to teach the general public on First Aid. The candidates have to go through various assessment, i.e. First Aid knowledge and practical assessment etc. Eighteen candidates completed the LTC 2018/2019 and were granted St. John Lecturer (First Aid) status.

9 Basic Psychological Life Support (BPLS) Course

The 2-day BPLS Courses jointly developed by the Association and the Institute of Mental Health, Castle Peak Hospital were held from July 2019 to November 2019. Over 100 participants joined the course to learn about emotion, anxiety, stress, positive psychology, common mental illness, together with the skills for managing panic patients.

10 Sports Medicine Committee

With the successful promotion of First Aid Specialty Course on Sports Emergencies, the “Sports Medicine Committee” (運動醫學小組) was formally established in September 2008. Also, the Committee aims to design a strategic plan for the development of sports related courses or workshops and to serve as the responsible body for continuous quality assurance of sports courses held. It is an honor to have Dr. Wilson Li, Sports Medicine Consultant, as the Chairman of the Committee. The Committee had reviewed the curriculum and prepared a manual for the public and other interested parties, especially those working in sports and recreation areas. In 2019, five Sports Emergencies courses were conducted with over 200 participants.

11 Free One Day First Aid Workshop for Hong Kong Media Organizations

Hong Kong St. John Ambulance Association provided a one-day free first aid training workshop including 3 hours first aid talk and 3 hours Cardiopulmonary Resuscitation (CPR) training for Hong Kong Media Organizations. The project was conducted from July 2019 to Dec 2019. The number of participants was 188 in 16 courses for front-line journalists. All qualified participants were awarded the First Aid Attendance Certificate and Adult CPR Provider Certificates with 3 years validity.

For Lecturers/Instructors and Members

1 “Introduction of Venous Access” Course

As initiated by the Council Chairman, Dr Chung Chin-hung, a new course, “Introduction of Venous Access” was launched in October 2019. The course aims to provide venous access training to St. John ambulance crew and promote to the public later. The train-the-trainer workshop was held on 15 October 2019. And the first course was smoothly delivered on 6 December 2019 at St. John Tower. 12 full and part time staff from St. John ambulance crew were enrolled in the class.

All participants passed the continuous assessment and MCQ assessment and awarded attendance certificates at the end of the course.

Positive feedbacks were received and participants wished to have a longer duration of practical session, so that they could have more try on the intravenous simulation arms.

2 Visit to District Health Center

A visit to Kwai Tsing District Health Center was conducted for Nursing Committee members on 13 December 2019. The staff introduced center services and operation. A guided tour was arranged to introduce all facilities in the center. The visit enriched committee members about the service and operation of the center.

3 Visit and Experience Exchange at Foshan Traditional Chinese Medicine Hospital (佛山市中醫院)

The visit was co-organized by the Board of Membership Affairs and Board of Public Relations and External Affairs on 1 & 2 June 2019. A total of 40 St. John lecturers and members joined the activity and had a good exchange process. Members also visited the newly opened NAEMT training center.
