Hong Kong St. John Ambulance has been established in Hong Kong for 137 years. It was first started in 1884 in the name of “Hong Kong St. John Ambulance Association” and inaugurated in 1900. The **Brigade** was formally established in 1916 during World War I, followed by the establishment of the **Council** in 1949 after World War II. In 2015, Hong Kong was upgraded as a **Priory** of the Order of St. John. As an ex-officio member of the Grand Council of the Order, Hong Kong ever since then has a broader scope of involvement in international policies and activities.

Hong Kong St. John Ambulance has been well-known in the provision of First Aid training and Ambulance services to the general public in Hong Kong. The principle and spirit of Hong Kong St. John Ambulance as embodied in the motto “**For the Service of Mankind**” remain unchanged after the enactment of the new **Hong Kong St. John Ambulance Incorporation Ordinance (Chapter 1164)** on 27 June 1997. Hong Kong St. John Ambulance continues in promoting and encouraging all works of humanity and charity for the relief of distress, suffering, sickness, danger and poverty without any distinction as to colour, class or creed.

The **Council** is the supreme governing body of **Hong Kong St. John Ambulance** and is charged with the governance, management and control of all businesses and activities of the Corporation. The Council is composed of dedicated volunteers from various professions and the Assistant Director (Administration and Policy) of the Department of Health also sits in the Council as an observer. The Council’s work is facilitated by its standing Committees, namely, Two MacDonnell Road Management, Finance, Honours and Awards, Public Relations, Property Management and Development, Greater China Affairs, Ambulance Service Steering and Information Technology.

The **Association**, the training branch, has been the premier organization of the territory responsible for instructing members of the general public the principles and practice of First Aid, Home Nursing and allied subjects since 1884. The **Director’s Conference** ensures that training works of the Association are conducted effectively and efficiently. There are 542 volunteer lecturers or instructors, including doctors, nurses, allied health professionals and non-professionals.

The **Brigade**, the service branch, is responsible for organizing training and equipping adult and youth members to undertake, on a voluntary basis, First Aid, Home Nursing, Ambulance and Community Services to those in need. The services are free. The **Commissioner’s Conference** is responsible for overseeing the organization, administration, services provision and development of the Brigade. At present, there are 6,939 members, made up of 3,409 Adult and 3,530 Youth members including 39 members from St. John Pandalas.

Serving the community through the voluntary work of St. John has given me great pleasure, pride and satisfaction. I would like to express my sincere appreciation and heartfelt gratitude to my fellow Members of the Council for their unfailing trust, valuable advice and strong support in my chairmanship, which are essential for meeting our challenges all along and ahead.

The fiscal year 2020/21 was an exceptionally difficult year for the organization as a result of the COVID-19 pandemic. All our trainings, first aid duties and ambulance services were seriously interrupted. Nevertheless, we could still arrange substantial training activities through e-learning and webinar. The number of students trained by the Association last year was 40,544 or 59% of the previous year (69,153). However, first aid duties, dental activities and ambulance services were disappointing. The Brigade provided only 12,317 man-hours of first aid, dental and community services or only 6% of the previous year (221,867). As our insurance plan did not cover infectious disease contracted during voluntary works, we had to hire more ambulance staff to replace voluntary first-aiders. This increased our financial burden substantially. On the other hand, our ambulance staff had to take extra precautionary measures for infectious disease protection, and extra hours in ambulance cleansing after transporting confirmed or suspected COVID-19 cases, as our ambulance team had the additional work of helping the Fire Services Department and Auxiliary Medical Service in transporting cases to and from hospitals, quarantine centres or residences. In addition, private hospitals refused emergency ambulance admissions, especially febrile cases. Added together, this contributed to the 7th consecutive year failing to meeting our performance indicators with the Department of Health, and last year was the worst of all (4,800 calls or 62% of our performance indicator)! As a result, our cost per ambulance trip was very expensive and might be more than that of the Fire Services Department.

That said, St. John has actively involved in the fight against COVID-19. The most notable was the participation in the Universal Community Testing Programme by setting up 3 booths at the Brigade Kowloon Command Headquarters to help in public COVID-19 swab-sampling from 1-11 September 2020, with 4,649 tests performed. Training workshops in infection control and personal protective equipment were organized by both the Association and Brigade. St. John training and operational sites have been cleaned and sanitized more frequently and thoroughly, while temperature checking, mask protection, hand washing or alcohol hand disinfection, social distancing and health declaration have been enforced. Arrangements were made for front-line staff and volunteers fit-tested for appropriate N95 respirators. We actively encouraged our staff and volunteers to be COVID-19 vaccinated. The Cardio-Pulmonary Resuscitation guideline was modified to adapt to the COVID-19 scenario. As mentioned above, our ambulance service helped in transporting COVID-19 confirmed or suspected cases to and from hospitals, quarantine centres or residences.

In 2015, our "Certificate in First Aid" course gained 10 Quality Framework Level 3 Credit Points from the Hong Kong Council for Accreditation of Academic & Vocational Qualifications (HKCAAVQ). Re-accreditation was successful this year, along with the newly launched Certificate in First Aid (Blended Mode), which comprises 14 hours theory of online learning and 16 hours face-to-face instruction of CPR and bandaging. With the hard work of our Secretariat and Association staff, we were recertified ISO 9001:2015 in February this year in quality management of First Aid, Cardio-Pulmonary Resuscitation and Automated External Defibrillation. Similarly, the Health Section of the Association obtained Credit Points from the HKCAAVQ for a number of courses sponsored by the Employees Retraining Board (ERB) and Social Welfare Department (SWD), namely, Certificate in Health Worker Training (Level 3, 41 Credit Points for ERB courses and Level 3, 49 Credit Points for Association self-financed courses), Certificate in Advanced Training for Health Workers (Level 3, 8 Credit Points), Foundation Certificate in Care-related Support Worker [Clinical Patient Services] (Level 2, 28 Credit Points), and Foundation Certificate in Training for Care Workers (Level 2, 8 Credit Points). This year (2020/21), the Association received an Outstanding Achievement Award from the Employees Retraining Board.

Chairman's Report

The All Hazards Disaster Response course newly introduced from the National Association of Emergency Medical Technicians of the United States of America has been postponed twice because of the COVID-19 pandemic. Hopefully, with the epidemic fading away in Hong Kong, the two fully subscribed courses can be run in June this year. With a grant from the Home Affairs Bureau, virtual reality for First Aid training was introduced into the Youth Section.

My St. John dream is to train up our ambulance crew to internationally recognized level and to have all school students trained in First Aid. I shall work hard towards this direction during my term of office.

The achievement and success that have been made by Hong Kong St. John Ambulance would not be possible without the full dedication and commitment of our volunteers and staff, who have served conscientiously to uphold the highest tradition of St. John in every way. To them, I wish to express my sincere thankfulness and appreciation for their admirable work. In addition, the generosity and guidance of the Department of Health, Home Affairs Bureau, Hong Kong Jockey Club, The Community Chest of Hong Kong and other donors keep us on the right track to respond to the needs of our local community, enabling the continuation and expansion of our services and works.

I am confident that St. John will grow from strength to strength and strive to provide better services for the community. Glory goes to every member of Hong Kong St. John Ambulance.

1. Universal Community Testing Programme (UCTP) 「普及社區檢測計劃」

Hong Kong St. John Ambulance was invited by the Food & Health Bureau to participate in the Universal Community Testing Programme. St. John operated its own testing centre at the Brigade Kowloon Command Headquarters with 3 booths set up for combined COVID-19 nasal and pharyngeal swab-test sampling for members of the general public.

A total of 57 St. John medical, dental, nursing and ambulance personnel were deployed for conducting the swabbing test, with 4,649 tests conducted within the 11-day period from 1 to 11 September 2020.

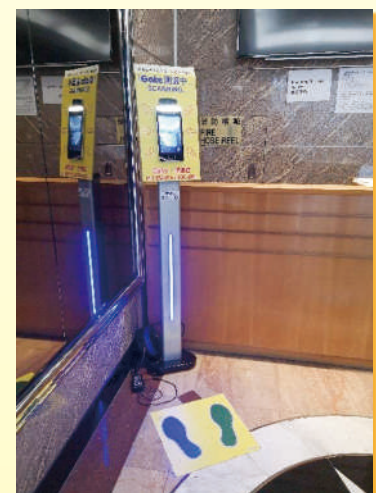

2. Fight against COVID-19

Hong Kong St. John Ambulance always pledges full support to the government to fight against COVID-19. A series of measures have been implemented during the outbreak of the pandemic.

- All St. John premises displayed "LeaveHomeSafe" venue-specific QR code at the venues in order to provide a convenient digital tool for the public to record their visit history by scanning the code.

- Infrared body temperature detectors have been installed at the front entrance and 7/F of St. John Tower. All course participants and visitors have to check their body temperature upon entrance and fill in a Health Declaration Form for record and tracking purpose.

Highlights of the Year

- To maintain good hygienic environment, all classrooms and training facilities are cleaned and disinfected daily. In addition, Disinfection and Anti-microbial Coating Services have been periodically applied to classrooms, halls and office areas.

- St. John Association procured for purchase a type of face mask with high performance standards, BFE \geq 98% and VFE \geq 95% and it is washable for 60 times.

- The 8-hour **Workshop on Basic Infection Control in Community** 「基本社區預防感染證書課程」 held on Friday, 6 November 2020 at St. John Tower, introduced the guidelines on basic infection control, how to clean hands in an effective way and how to put on Personal Protective Equipment properly.

- 3 **Workshops on Infection Control and Personal Protection Equipment** were organized by the Principal Medical Officer's Office of the Brigade in November 2020. Over 100 Brigade Personnel attended these workshops.

- St. John ambulances have been transferring confirmed COVID-19 cases to designated hospitals for treatment since August 2020. Over 720 cases have been handled.

- St. John ambulances have been assisting the Government in transferring the elderly after completing the quarantine order from the quarantine camps back to the elderly centres.
- St. John is promoting the COVID-19 Vaccination Programme launched by the Government among St. John personnel to take vaccination for protection.

3. Employees Retraining Board (ERB) Outstanding Achievement Award (2020-21) 「年度嘉許表現持續優異培訓機構」

The Health Section of Hong Kong St. John Ambulance Association has been awarded the ERB Outstanding Achievement Award for Training Body 2020-21 for conducting courses of Certificate in Health Worker Training, Foundation Certificate in Care-related Support Worker Training and Foundation Certificate in Integrated First Aid Training (Part Time).

4. Re-accreditation of Certificate in First Aid Course – QF Level 3

The 30-hour Certificate in First Aid was granted accreditation status at Quality Framework (QF) Level 3 from the Hong Kong Council for Accreditation of Academic and Vocational Qualifications in 2015. Certificate in First Aid continues to meet all accreditation requirements of the QF in 2021, along with the newly launched Certificate in First Aid (Blended Mode), which combines 14 hours theory of online learning and 16 hours face-to-face instruction of CPR and bandaging. Both have been accredited successfully at QF Level 3 with validity until 30 September 2025.

5. An **Investiture and Presentation of Prior’s Commendation** was held at St. John’s Cathedral on Saturday, 14 November 2020. The Prior of The St. John Priory of Hong Kong, Dr. Chung Chin-hung presented the St. John Insignia to 15 award recipients with 1 Commander, 7 Officers and 7 Members who had been admitted to or promoted in the Order as a result of having demonstrated successfully their leadership, integrity and notable service to the organization.

In the same occasion, 5 Brigade Members and 1 Association Lecturer (First Aid) received Prior’s Commendation in recognition of their participation in a successful resuscitation of the life of a patient in cardiac arrest by performing Cardio-Pulmonary Resuscitation (CPR) and Automated External Defibrillation (AED) during a Marathon cum Fun Day event on 3 November 2019.

Moreover, 4 Senior Officers of the Brigade were also awarded Prior’s Commendation in recognition of their self-initiated, unpaid, uninterrupted and dedicated support to the Universal Community Testing Programme for about two weeks in early to mid-September 2020 at the Brigade Kowloon Command Headquarters, which contributed greatly to its success.

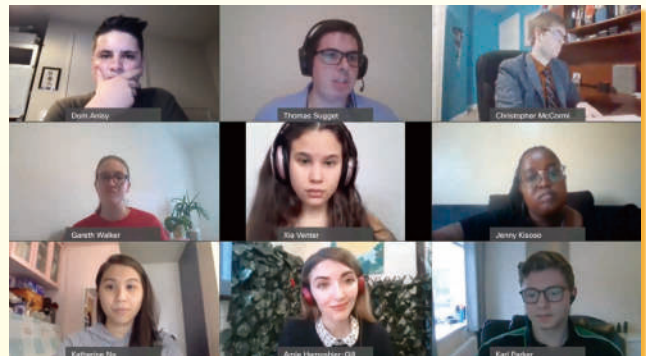

6. The Secretary for Home Affairs' (SHA) Commendation Scheme aims at offering recognition to special achievements of individual volunteer leaders of each Uniformed Group under the purview of SHA in youth development works.

In 2019, Superintendent Ling Kai-ho and Superintendent Ng Tsz-hin of Youth Command were awarded the Volunteer Leader Commendation. While Assistant Superintendent Yu Tsz-man and Senior Ambulance Officer Leung Chun-kit were awarded the Youth Volunteer Leader Commendation in recognition of their outstanding and continuous contribution in youth works through the Hong Kong St. John Ambulance Brigade Youth Command.

7. Development of International and Local Youth Advisory System

In late 2020, The St. John Priory of Hong Kong nominated a youth representative to take part in the International Youth Advisory Network (IYAN). Youth representatives from different St. John Pories gather around and share opinion towards the macro-development direction of the St. John International. These members have various background and are from different countries, yet they all share the same vision – **to build a better future of St. John**. Owing to the COVID-19 pandemic, meetings were organised by video conferencing since early 2021 and there are work on-going to provide strategic consultation to the Order. Representatives will be arranged to attend the St. John Grand Council meeting (virtually or in person) in May and December 2021 in order to report the progress of IYAN.

To further promote local youth work, Hong Kong St. John Ambulance is also marching forward to the establishment of its local youth consultation body, Hong Kong Youth Advisory Network (HKYAN). Youth leaders aged no more than 24 were recruited from different units in the Youth Command. HKYAN has already commenced their work through meetings, visits, interviews since January 2021 to discuss the overall direction and establishment of the organisation. Led by

a group of “Cadets of the Year” (who were previously selected as the best cadet during the annual selection exercise), HKYAN is dedicated to provide insightful and innovative ideas to the Brigade and ultimately create a better activity environment for fellow youth members. To enhance their participation and contribution, members of the HKYAN are invited to join different level of official meetings under the Youth Command.

Hong Kong St. John Ambulance will continue to make every endeavor to encourage our youth generations to participate. The involvement of our youth leaders under the HKYAN, who are representing the youth voice in the top management level of the Youth Command (which is the first-time ever), will be continued in the future.

8. Grantham Uniformed Youth Groups Outstanding Service Award

The Grantham Uniformed Youth Groups Outstanding Service Award was set up under the Grantham Scholarships Fund Committee and presented to outstanding youth members of the Uniformed Groups who demonstrated a high level of leadership and strong commitment in voluntary service. Each Uniformed Group in Hong Kong may nominate a maximum of two youth members for the Award, and each successful awardee will receive a scholarship of HK\$8,000.

In 2020, Cadet Leader Law Chung-yin from the Tsing Yi Leung Chik Wai Combined Cadet Division and Cadet Corporal Chung Hoi-yan from the Chan Kai Combined Cadet Division were granted the award.

9. Translation of First Aid Manual into Malay

Hong Kong St. John Ambulance granted St. John Ambulance of Malaysia the right to translate the Chinese version of First Aid Manual (急救手冊中文版) into Malay in July 2020. The Malay Edition First Aid Manual provides relevant information on first aid knowledge that plays a critical role in training.

1. During the reporting year, the Brigade discharged a total of 12,317 man-hours of volunteer first aid, ambulance duties, dental and community services for the public.
2. In 2020/2021, the Brigade responded to 4,800 emergency and non-emergency calls for ambulance services. A detailed breakdown of these calls is tabulated below for easy reference.

Type of Call	No. of Calls
Emergency Calls	4,373
Non-emergency	31
Other Duties	396
Total	4,800

3. Dental Service

Dental service provided by Hong Kong St. John Ambulance Brigade has been in operation for over 70 years.

Free dental service is made available to the elderly and patients with special needs by Brigade volunteer dental surgeons, dental surgery assistants and members at the Dental Clinic located at the St. John Headquarters or to the elderly homes by the Outreach Team. In addition, oral health services are provided to the public through campaigns and special events.

The fiscal year 2020/2021 was a very challenging year for the dental service due to the COVID-19 pandemic. In fact, the dental clinic could only provide limited service, i.e. non-aerosol generated procedures in October, November 2020 and March 2021. Although the outreach service was completely suspended throughout the year, service has been continued through email to over 100 organizations to educate the patients on oral hygiene by powerpoint presentation. Presentation through Zoom were also conducted on 31 October 2020 with 190 parents participated. The feedback was overwhelming.

In 2020/2021, volunteers in the Dental Command provided dental services to a total of 56 patients with 112 cases being treated in the dental clinic.

For the Public/Organizations

1. Jockey Club Heart-safe Community Project (賽馬會「顫動人心」社區計劃)

Funding has been granted from the Hong Kong Jockey Club Charities Trust for installation of automated external defibrillators and providing training programmes for 1,600 social service units for three years. The project has been carried out in collaboration with Red Cross, kicking off in December 2019.

In addition, a Public Education Programme has also been conducted to draw the interest and awareness of the public on learning first aid skills. Due to the COVID-19 pandemic since 2019, training courses and public talks have been suspended in order to prevent the spread of coronavirus in the community. Public talks have been conducted via video conferencing software to facilitate the public for obtaining first aid knowledge.

Throughout the year of 2020, 211 CPR and AED training courses were held with a total of 2,025 participants and 132 public educational talks were organized with 5,424 participants. 131 units of AEDs were installed in NGOs. All social service units were satisfied with the arrangements of installation.

2. Free Cardio-Pulmonary Resuscitation (CPR) and Automated External Defibrillation (AED) Training Courses for Members of the Public

The Sir Robert Ho Tung Charitable Fund had granted the Association funding for conducting free 6-hour CPR & AED training for members of the public since 2010. The project was conducted from 19 October 2020 to 26 March 2021. The number of participants was 2,646 with 50 courses. All qualified participants were awarded the Adult CPR and AED Provider Certificate with 3 years validity.

3. Advanced Life Support in Obstetrics (ALSO)

ALSO provider courses were jointly organized by the Hong Kong College of Emergency Medicine and the Hong Kong College of Obstetricians & Gynaecologists for the 10th consecutive year at St. John Tower. Three ALSO courses were conducted on 22-23 September, 24-25 September and 28-29 September 2020 at St. John Tower with 88 nurses and doctors participated.

4. Cardio-Pulmonary Resuscitation (CPR) Education Projects of Rotary

With the sponsorship of Rotary International District 3450 in 2016, St. John has been conducting the CPRAED course for members of the public for the 5th year with over 3,000 members of the public trained in the project. In 2020, the targeted beneficiaries were students and staff from schools.

The Opening Ceremony was held on 14 November 2020 at St. John Tower. Dr. Chui Tak-yi, JP, Under Secretary for Food and Health, was invited as the Officiating Guest of the ceremony. Brigade members attended and shared their experiences of a case of successfully saving life for a sudden cardiac arrest patient by applying the AED machine.

5. Advanced Medical Life Support (AMLS) Course

The Association has launched the Advanced Medical Life Support (AMLS) developed by the National Association of Emergency Medical Technicians (NAEMT) of the United States since 2016. Apart from the didactic aspects, interactive simulations and problem solving scenarios have given participants realistic exposure to similar cases. Course participants were mainly doctors and nurses. In 2021, one AMLS course was conducted on Saturday, 6 March 2021 with 21 participants attended.

6. Basic Life Support in Obstetrics (BLSO™) Provider Course

The American Academy of Family Physicians (AAFP) has granted the Association a license of conducting Basic Life Support in Obstetrics (BLSO™) Provider Course since 2017. The course objective is to provide training of pre-hospital care providers who wish to enhance their knowledge and skills in the field of obstetrics. In the past few years, over 400 participants were trained through 20 courses.

As a BLSO™ course provider, AAFP invited Hong Kong St. John Ambulance to attend the “**ALSO/BLSO Global Meeting**” on 26 March 2021 through WebEx. Council Chairman, Dr. Chung Chin-hung and Dr. Lau Wai-lam represented the organisation to participate with 37 other countries/regions. All members discussed actively on the content of “Hypertensive Disorders of Pregnancy”, “Successes and barriers to holding courses during COVID-19”, “Ideas for Global partner quarterly newsletter” and “How can the AAFP better support Global partners?” to make better development for ALSO/BLSO in the future.

7. Pet First Aid and Emergency Care Course (PETFA)

Pet First Aid and Emergency Care Course was launched in 2015, which has grown in popularity since the first class. For 2020 and 2021, ten classes were held with over 300 participants, including group classes of "Pet With You Charity Limited" and "Hong Kong Animal Assisted Therapy Association".

8. Pre-hospital Trauma Life Support (PHTLS) Courses

The Association has become the sole provider of PHTLS courses in Hong Kong since 2002. The course was developed by the National Association of Emergency Medical Technicians (NAEMT) of the United States and was introduced into Hong Kong by the China-Hong Kong Chapter of the American College of Surgeons. This two-day intensive course gives instructions on kinematics of injuries, assessment and management of trauma patients with multiple injuries. Prospective trainees include doctors, nurses and pre-hospital care providers. Two courses were conducted in November 2020 and March 2021.

For St. John Members

1. Home Nursing 2020 Workshop and Workshop on Basic Infection Control in Community

Home Nursing 2020 was a redesigned new course combining Adult Home Nursing (AHN) and Basic Home Nursing (BHN) held on 16 November 2020 at 6/F Hall, St. John Tower. In order to facilitate lecturers' effective teaching, the workshop provided lecturers the most updated home nursing concepts and knowledges.

2. Training and activities for Cadet and Adult members of the Brigade personnel & Youth Command were organized separately by the Youth Command with the support from Headquarters staff. A summary of the trainings is as below:

Course for Brigade Members	No. of Courses	No. of Participants
Adult First Aid	17	342

Officer Training Course & Officer Training Course (Intensive) – Module Three	1	40
Field Triage Training Course	1	30
Infection Control Course & Personal Equipment Instructor Training Workshop	1	49

1. Virtual Reality and First Aid Training

In view of growing popularity on the use of Virtual Reality (VR), as well as to enhance the learning interest of cadet members in first aid training, Youth Command submitted a funding proposal to Home Affairs Bureau in 2019 and was allocated a one-off funding for development of VR first aid training.

The first phase of the design allows player to provide assessment and first aid treatment for a casualty in a virtual school scenario. The VR system will be used for internal training and members' recruitment as well as large scale health promotion event, which will give players a chance to experience and enhance public's awareness, interest and knowledge in first aid.

Looking forward, Youth Command plans to design different virtual scenarios on first aid training based on the suggestions of players, so as to provide members more opportunities to have training in scenario with authenticity and equip them with proficient first aid skills.

2. Revamping of the Youth Command Website

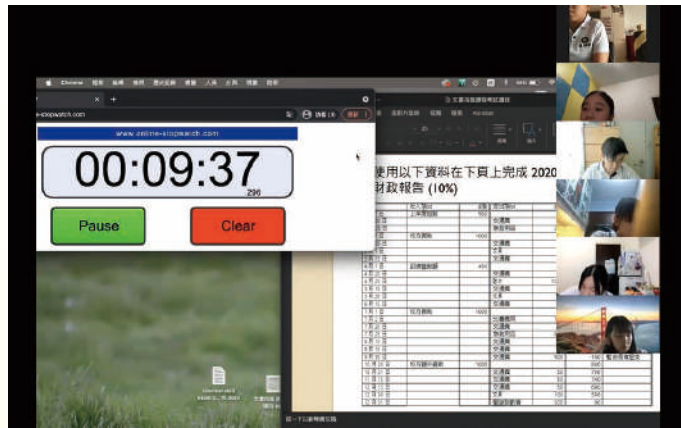

The new homepage of Youth Command under the website of Hong Kong St. John Ambulance has been launched since November 2020, which provides detailed information related to St. John youth activities and services. In view of the growing popularity on the use of electronic workflow and documentation, the second phase of revamping of Youth Information Technology projects, that is, the St. John Youth E-Garden will be launched.

3. Conducting Training/Activities through Virtual Means

Despite arrangement was made to suspend most of the duties and face-to-face activities for Brigade members including Cadet members during the year with an aim to protecting their safety, as well as to echo the call of the government in fighting against the pandemic, officers of individual division continued to maintain regular contacts/trainings to their members through virtual means (such as Zoom, Teams etc.) during the year for maintaining regular contacts, providing essential trainings, and achieving mutual support. Online workshops and quizzes were also organized to maintain the team spirit and enhance the knowledge and skills of members during the pandemic.

4. Remembrance Sunday

In order to observe the social distancing during the COVID-19 pandemic, the **Remembrance Sunday** held on Sunday, 8 November 2020 at St. John Memorial, Wong Nai Chung Gap Road were attended by Dr. Chung Chin-hung, Council Chairman, Mr. Alfred Poon Sun-biu, Brigade Commissioner and Dr. Donald Li Kwok-tung, Association Director only. Wreaths were laid during the Service to show respect and in memory of the 56 Officers and Members who died in 1941 during the World War II.

5. Annual Aircraft Crash Exercise 2020

The Annual Aircraft Crash Exercise 2020 organized by the Hong Kong Airport Authority (HKAA) was held on Thursday, 20 November 2020 from 0200 hours to 0800 hours to aim at helping all related personnel to familiarize with the operation in case crash accident arises. More than 70 Brigade officers and members from the Special Task Force (STF) of 3 Operation Commands and Ambulance & Transport Command participated as first aiders and duty personnel in cooperating with other counterparts.

6. Youth Command Awards Presentation Ceremony

In view of the gradual stabilisation of the pandemic situation and considering the need to commend officers and members under the Youth Command of the Brigade for their prolonged years of dedicated services towards the training and development of our youths, the **"Youth Command Awards Presentation Ceremony"** was held on Saturday, 20 March 2021 at the Kowloon Command Headquarters. To echo the call from the Government to reduce flows of people and social contact, special precautionary measures such as maintaining appropriate social distance, wearing masks, avoiding handshakes and physical contacts etc. were taken throughout the event.

During the ceremony, three types of awards/certificates were presented to the awardees, including the Service Medal and Bar (for the year 2018 and 2019), the Commissioner's Commendation (for 2019) and the Warrant of Appointment/Promotion. Mr. Alfred Poon Sun-biu, Brigade Commissioner was invited to be the Guest of Honor of the Ceremony, expressed his appreciation and complimented all awardees for their volunteering work and valuable contributions to the Youth Command, and encouraged them to keep up in the years to come for our future generations.

6. Publicity in various Local Media

- The Training Manager, Mr. Richard Cheng Kam-wah was invited to provide knowledge on “CPRAED” and “Heat Stroke” for RTHK programme 《精靈一點》, which were broadcasted on 21 July 2020 and 4 August 2020 respectively.

- Superintendent Ip Choi-on and Assistant Superintendent Ip Lam-ho were invited to share their experience in volunteering and introduce the works of St. John for RTHK programme 《精靈一點》, which was broadcasted on 28 July 2020.

- Dr. Kathryn Tai and the Training Manager, Mr. Richard Cheng Kam-wah were invited by RTHK to introduce “Pet First Aid” at the programme 《精靈一點》 on 11 August 2020.

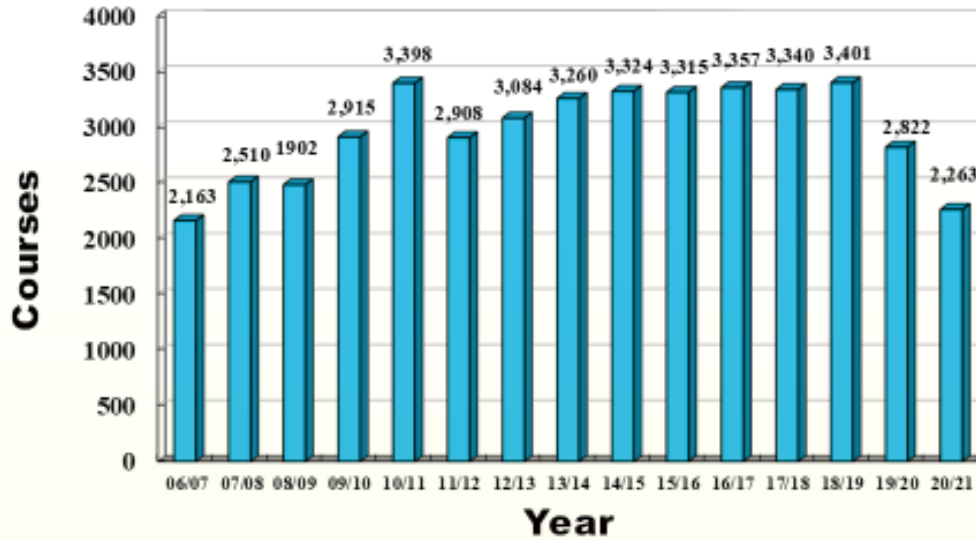

- Dr. John Wong Tai-hung and the Training Manager, Mr. Richard Cheng Kam-wah were invited to demonstrate skills on CPR for TVB programme 《流行都市》, which was broadcasted on 25 November 2020.
